Investment Risk Warning

You should remember that the value of investments and the income derived from them may fall as well as rise and you may not get back the amount that you invest. Past performance is not a guide to the future. The value of foreign securities will be influenced by the rate of exchange used to convert them back into your base currency. The products and services described in the website are available only in the United Kingdom and the information contained herein does not constitute a distribution, an offer to sell or the solicitation of an offer to buy any securities. Transactions in non-readily realisable investments may have a restricted market for such investments and it may therefore be difficult to deal in these or to obtain reliable information about their value. Nothing in this website is intended to constitute investment, legal, tax or other advice nor is it to be relied upon in making an investment decision. Information is provided on a general and not a personal basis. Rossie House Investment Management and connected entities, clients, partners, employees and other associates, may have a position in any security, or related financial instrument, issued by a company or organisation mentioned in this website.
